Teams in the WOSS cafeteria on competition day 01

Three afternoons. Three disciplines.

The WOSS Triple Olympiad is White Oaks Secondary School's signature academic competition, run by its Math, Physics and Computer Science clubs. Halton's brightest students tackle theory-rich contest problems and hands-on activities.

Participants	Grades	Days	Entry
100+	9–12	3	$0
Interested students	From across the HDSB	Dec 15, 16 and 17	Free for every student

15 Ma Math	DAY 1 Tuesday, Dec 15	**Mathematics**	3:00–5:30 PM
16 Cs Comp Sci	DAY 2 Wednesday, Dec 16	**Computer Science**	3:00–5:30 PM
17 Ph Physics	DAY 3 Thursday, Dec 17	**Physics** + Practical Hackathon	3:00–5:30 PM

Your brand, in front of Halton's most dedicated STEM students.

Reach motivated students, their families, and an alumni community that includes graduates now studying at CMU, Harvard and Penn.

Community 01

- ✓ Support local students and future innovators
- ✓ Show your commitment to youth and education
- ✓ Enable a positive, community-building school event

Vast outreach 02

- ✓ The largest high school in Oakville, with an IB program of the most dedicated math, physics and CS students
- ✓ 100 to 200 expected participants from across the HDSB
- ✓ A diverse audience: a large neurodivergent population and the highest gender ratio in Oakville
- ✓ Promote your company and its services directly to students

Competition day 02
